Statement of Commitment to Child Safety

Easy English policies

being safe

We are the Australian Office of St John.
We want children to be safe.

It is not OK to hurt children.

keep safe

If you tell us a child is being hurt:

- we will take it seriously
- we will tell someone who can help.

Call the police on **Triple Zero (000)** if you are:

- not safe now
- in danger now.

Find out more about child safety in St John on our [website](#).
