

Quick Start Guide

Hello

Welcome to the Quick Start Guide for St John Ambulance eLearning courses. Follow the instructions in this guide to access your St John eLearning course.

Support

If you require any assistance or wish to view our eLearning Help Centre and FAQs, please visit click [here](#).

1

Using Google Chrome head to <https://e-learning.stjohn.org.au>
Enter your username and password, click *Log in*.

Having trouble logging in? Try copying and pasting your provided credentials into the fields, ensuring no spaces, then click the 'LOG IN' button with the mouse rather than enter.

2

You now see a list of courses you have access to under the *My Courses* heading.
Click on the title of the course you want to access.

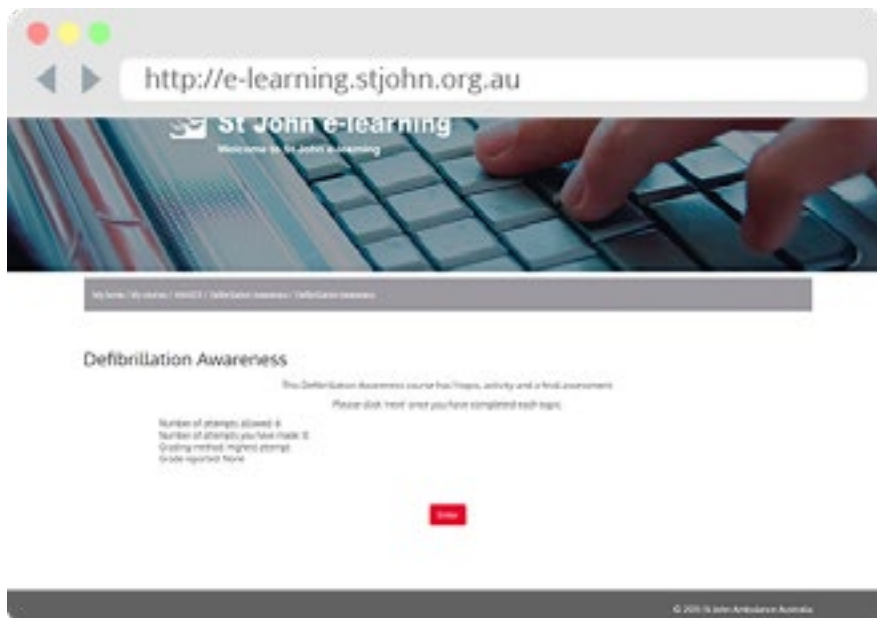

3

A list of available modules are visible on the course page.
Some courses only have a single module.
Click on the first module to begin learning.

4

You now see the module summary page. Note the remaining attempts.
Click *Enter* to start the module. This registers your first attempt.

5

The course player will load in your browser window.
You may now navigate the course using the *prev* and *next* buttons.
Ensure your speakers are switched on.

6

Your eLearning course may include a quiz or final assessment to test your knowledge.
Print or save your certificate - you're done!

Forgot to print your certificate? Click [here](#) to view our eLearning Help Centre and FAQs.
